

Energizer® Vision HD+ Focus Headlight

HDD32

The Energizer® Vision HD+ Focus headlight is another innovative headlight solution within the Energizer® premium headlight line. With the latest LED technology, users get a bright, lightweight hands-free solution with ample run time capability. Patented optics offer exceptional direct and peripheral vision, making the Energizer® Vision HD+ Focus a perfect light for home, work and outdoor activities. Featuring patented digital focus, users can easily broaden or narrow their field of vision with a simple button press. And thanks to Memory Recall can quickly access to their favorite focus setting next time they switch the light on. With an adjustable head strap, water-resistant design and pivoting head to direct light exactly as needed, this headlight is another way Energizer continues to deliver innovative lighting solutions.
